LIBRARY NEWS - BIRTHDAY BOOK CLUB INFORMATION

Dear Parents and Carers,

Our library space is creating new ways to have our students interact with literature at Greta Public School in 2021. We are in the process of establishing our own school-based Birthday Book Club with the students and staff members at our school. This Book Club allows students and staff to donate a new book of their choosing to our library. They will be able to borrow this book on their birthday just like receiving a present. If your child has permission, he/she can have their photo taken on their birthday with the donated book. Each student that participates also gets to borrow their donated book first.

Any Greta PS student in your household can choose to participate. If you want your child/ren to be part of this initiative, please:

- Fill out the information at the bottom of this note and return the slip to Mr Burns during library time. Pop it straight into your child's library bag once it is filled out.
- Donate \$10 to the school a couple of weeks before your child's birthday so that a new book can be purchased before the day.

A new display area will also be set up in our library to showcase the students that choose to participate. This will be shared in our school newsletter closest to the end of each month. Through this Birthday Book Club, all students will be able to see what exciting new books their friends have chosen to donate to our library.

Mr Simon Burns

Teacher Librarian (rel)

Please return this part of the note to Mr Burns by Thursday 18th February 2021.
