### Publishing student information / Online services

In previous years we have sought permission to publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service and filtered access to the Internet through a secure learning portal.

This information may include your child's name (we endeavour to only ever publish first names), age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published or disclosed include but are not limited to:

- Public websites of the Department of Education and Communities including the school website, the Department of Education and Communities intranet (staff only), blogs and wikis
- Department of Education and Communities publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the Department's websites
- Official Department and school social media accounts on networks such as YouTube, Facebook and Twitter
- Local and metropolitan newspapers and magazines and other media outlets

**This information was provided to the school when your child enrolled. If you wish to discuss or change any of these details please put it in writing and forward it to the school office or come in and see us with any queries.**

These permissions remain effective for the current school year only or until you advise otherwise.
