PRINCIPAL'S MESSAGE

PRESENTATION DAY

We are looking forward to our 2017 Presentation Day. We have a number of special guests who have accepted our invitation to attend and it is always a wonderful way to mark the many successes and achievements of our students for the year. Extended family and community members are very welcome to attend. Please keep in mind that this is a formal assembly and if younger children are present, it would be much appreciated if you could monitor their noise levels and move to the back if needed so that our students can remain settled and hear the announcements.

ANGELS IN THE AMPHITHEATRE

Our community event is getting closer and we would love to see LOTS of people there. Feel free to spread the word amongst your friends and family, you do not need to have a child attending GPS to join in the fun.

PARENT SURVEY

There should be a survey in your child's bag today with this newsletter. We would love to hear your ideas for how our school can improve in the next planning period. If you do not receive one for any reason, please drop in to the office to receive another copy.

END OF SEMESTER REPORTS

Our end of semester reports are due to come home on Tuesday, 12th December. Please contact the office if you do not receive your copy on that day.

2018 STUDENT LEADERS

Today our candidates for student leadership in 2018 spoke to the school community about why they should be selected. I was very impressed with their confidence and skill in public speaking. It is a very proud moment for our school when we see such a large percentage of our students aiming for leadership. All students who nominated will be given opportunities to be on our student leadership team next year and will work closely with me as representatives of our students. Our official positions will be announced at presentation day.

TERM DATES

The last day of Term 4 for students is Friday, 15th December. The first day of term for all students next year is Tuesday, 30th January 2018.
