## PRINCIPAL'S MESSAGE

### THANK YOU

It's the end of a very full school year and I would like to thank our incredible GPS community for the countless contributions that have been made to making the lives of our students better every day. Thank you parents and friends for your positivity, passion, and good old fashioned hard work in so many areas. Thank you to the staff for your dedication, innovation and commitment to continual improvement. But most importantly, thank you to the amazing Greta PS kids who are the reason we love what we do. I've had a wonderful year and have learnt so much, and I can't wait to come back to GPS next year.

It was a testament to the support that we receive from our community to see so many families at Angels and our presentation day. A lot of hard work went in to the organisation of both events and on behalf of the school I would like to thank the many people who contributed to the two celebrations.

### COMMUNITY INVOLVEMENT IN 2018

There are many ways to be involved in our school next year. We hope that you can consider joining our dedicated P&C or helping in the canteen or the classroom. We will be providing parent induction workshops early in term 1. This will mean that all required paperwork for parent volunteers can be completed and the full range of opportunities for school involvement can be presented.

### MEN'S SHED HELP REQUIRED

At our presentation day, we acknowledged the support of the Greta Braxton Men's Shed. This is a fantastic program in which our students spend time with members of the Men's Shed in building and construction projects. Unfortunately the Men's Shed has had difficulty in finding enough volunteers who have the time to spare to work at our school. If you know of a family member or community member who would be willing to spend some time helping to support this program, please let us know.

### TERM DATES

The last day of Term 4 for students is Friday, 15<sup>th</sup> December. The first day of term for all students next year is Tuesday, 30<sup>th</sup> January 2018.

Have a very merry Christmas and a safe and peaceful break.

### ANGELS IN THE AMPHITHEATRE:

Once again Angels was a fantastic evening and a great success for our P&C fundraising. Our thanks must go to the dedicated few that worked tirelessly in the heat to ensure our stalls ran smoothly. Our thanks goes to the staff of Greta Public School for their assistance on the night, it is very much appreciated.

### CHRISTMAS RAFFLES:

On behalf of the P&C we extended a huge thank you to our local businesses that support us each year with our fundraising. Without this support many of our raffles etc would not be possible.
