PRINCIPAL'S MESSAGE

Planning for 2018

We are continuing to plan for next year. It would assist us to form classes if you could let us know if your child will not be returning to Greta next year. I am very pleased to inform you that I am returning next year and I look forward to continuing to work in this dynamic community.

Thank You

I would like to acknowledge the incredibly generous donation by the P&C Association to our school. We were recently able to order ten more laptops for the library. With the laptops and charging station previously donated by the P&C, our students will be well equipped next year. The contribution by all families to the P&C fund raising is much appreciated.

Presentation Day

We are looking forward to our 2017 Presentation Day next week. We have a number of special guests who have accepted our invitation to attend and it is always a wonderful way to mark the many successes and achievements of our students for the year. Extended family and community members are very welcome to attend. Please keep in mind that this is a formal assembly and if younger children are present, it would be much appreciated if you could monitor their noise levels and move to the back if needed so that our students can remain settled and hear the announcements.

Angels in the Amphitheatre

Our community event is getting closer and we would love to see LOTS of people there. Feel free to spread the word amongst your friends and family, you do not need to have a child attending GPS to join in the fun.

End of Semester Reports

Our end of semester reports are due to come home on Tuesday, 12th December. Please contact the office if you do not receive your copy on that day.

Term Dates

The last day of Term 4 for students is Friday, 15th December. The first day of term for all students next year is Tuesday, 30th January 2018.
